## John Hensby Bursary Application

The John Hensby Memorial Bursary was established in 2012. John also known as 'Miner John' to many of his friends was a former coal miner from Lancashire. Like many at SHARP he trained up through the BERT course before coming a member of the supervision team. John is warmly remembered for his commitment to education and his wish to make archaeology accessible to everyone, and therefore this Bursary was created to fulfil this aim.

The John Hensby Bursary subsidises two places on the excavation or one full course place annually and is aimed towards people who would not otherwise have the opportunity to excavate for financial reasons. The deadline is the 30th March 2023, please send a completed form to bookings@SHARP.org.uk. Applicants will be informed of the decision as soon as possible afterwards.
